# PERSONAL SAFETY

## Powder Free Nitrile Gloves

- Powder Free Nitrile Gloves
- Extended Cuff
- Superior Strength & Durability
- Textured Fingers
- For Medical Use
- 50 per box
- Available in M, L, XL

## Powder Free Nitrile Gloves

- Powder Free Nitrile Gloves
- No Cuff
- Superior Strength & Durability
- Textured Fingers
- For Medical Use
- 100 per box
- Available in M, L, XL

## Alphatec 37-310 Latex Free

- Powder Free Nitrile Gloves
- Silicone and Latex Free
- 8 mil thick
- Superior Durability
- 12 pairs per bag
- Available in various sizes

## 3M N95 Dust Mask 8511

- N95 Mask
- Exhalation valve
- Adjustable nose clip for a custom secure seal
- Spacious and durable

## 3M N95 Dust Mask 9205

- N95 Mask
- Designed to help reduce eyewear fogging
- Allows for more room for eyewear
- Adjustable nose clip for a custom secure seal
- Made in Canada

## Half Facepiece Disposable Respirator P95

- NIOSH approved
- Lightweight and comfortable
- Organic Vapor – Used for petrochemicals, chemical manufacturing, construction
- Pre-assembled with permanently attached cartridges

## PERSONAL SAFETY

**DuPont Tyvek White Coveralls with hood**

- Industry leading. Best tear and puncture resistance.
- Excellent protection against hazardous dry dust and aerosols and non-hazardous liquid splash.
- Zip front, elastic wrists and ankles.
- Multiple sizes

### 3M Earplugs

Feature soft, hypoallergenic foam and a tapered design to fit comfortably in the ear canal.

### GRIME EATER Action Plus:

- Cleans hands with or without water
- Various products
- Various sizes

## TOUCH-UP

### Factory Touch-up Markers

The most popular marker in the touch up business, the Factory Marker is designed to work on a wide range of finishes. The superior formula allows top coating with an even wider range of finishes. The fast-dry formulation makes the Factory Marker amazing on production lines and for on-site applications. The patented synthetic tip keeps its shape longer than conventional felt tips.

**Over 35 colours**

### Classic Fill Sticks

Make repairing minor scratches, nicks and other imperfections a snap  
Inexpensive way to fix most minor repair applications

**Over 50 colours**

### Aerosol Pro Finish

Dover Aerosols use pre-catalyzed formulations that yield higher solids, greater durability and resistance to yellowing than conventional finishes. Offers superior compatibility when applied on an existing finish.

**Over 50 colours & sheens**

### Timbermate Wood Filler

Timbermate Wood Filler is an interior grade, water-based wood filler. It is different from all other solvent or acrylic based fillers in that it contains no toxins or VOCs.

**Available in multiple colours and sizes**

### Touch-up Markers & Fill Sticks

The Trade Secret Touch-up Markets and Fill Stick wood tones come conveniently packed in a trio format.

**Available in multiple colours**

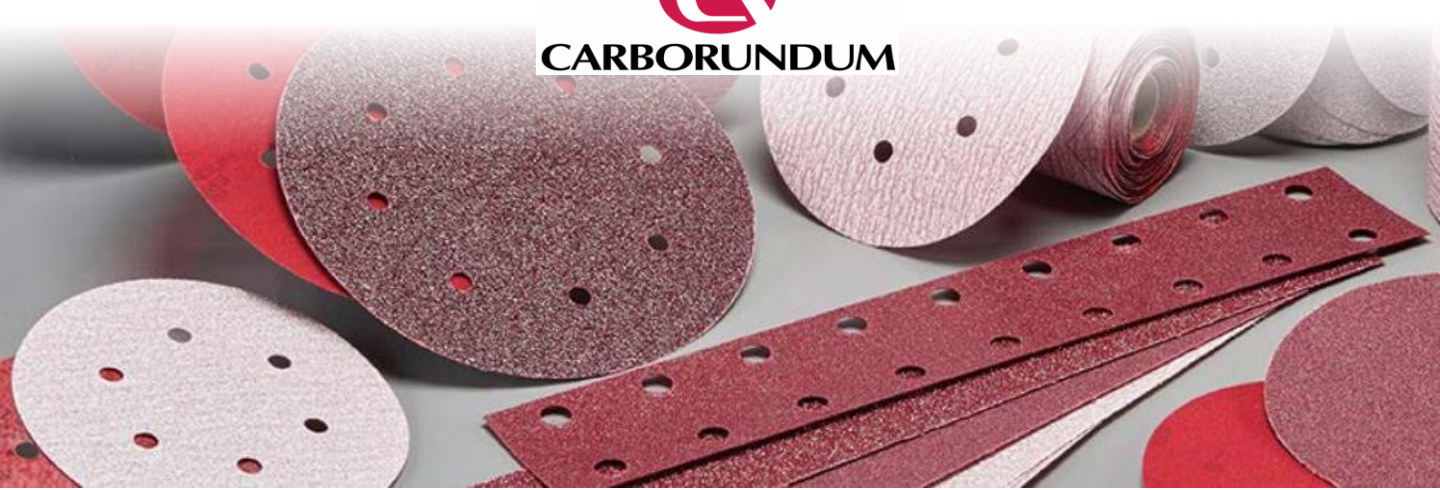

## ABRASIVES

## CARBORUNDUM

## ISW Corporation

# MIXING CONTAINERS

---

## E-Z MIX<sup>®</sup>

### E-Z MIX Cups are:

- Recommended by the Major Paint Companies
- Available in the most popular mixing ratios
- Environmentally smart
- Economical for today's business environment
- The answer to eliminating those awkward mixing sticks

# POLISHING

## FARECLA PROFILE 400 ADVANCED PLUS FAST MEDIUM CUT LIQUID COMPOUND:

- **REDUCED SANDING** - Sanding finer than 1,500 grit is not required, saving time and money
- **HIGH GLOSS RESULT** - Gives a high shine finish with good depth and clarity, so step 2 finishing less frequently required
- **NEW TECHNOLOGY** - Latest generation abrasive technology provides visibly faster cut than competitors, and the product develops a transparent film that gives the user the control of seeing the abrasive paper marks disappearing
- **PAINTSHOP FRIENDLY** - Product contains no silicones
- **PERMANENT** - Contains no fillers, so gives permanent results, maintaining customer satisfaction and avoiding costly reworks
- Available in various sizes

## FARECLA CUTTING WOOL PAD

- Hook & loop allows rapid fitting and removal from backing plate
- Flat grip backing allows for greater flexibility working on curved surfaces
- Leaves fewer swirl marks and polishes to a higher gloss than other wools
- Gives a greater cut than foam
- Easy water clean up

# SPRAY EQUIPMENT

## LEMMER

### Conventional Gun

- Conventional spray gun is designed for furniture fine finishing, auto body shops, metal fabrication shops, contractors and hobbyists
- Durable and features a 1 litre suction container

## LEMMER

### Gravity Gun, Conventional

- Conventional spray gun is designed for furniture fine finishing, auto body shops, metal fabrication shops, contractors and hobbyists
- The metal gun is durable and has a large pot opening for easy cleaning

### Pressure Pot

- Heavy duty commercial paint pressure pot is inexpensive and easy to use
- Provides a steady material flow for air guns
- Resists tipping and is easy to clean

## SATA

German Engineering

### Innovative. Light. Ergonomic

- SATA high-precision technology guarantees you an equipment with extremely long lifetime and supports you in the professional application of a wide range of materials

### HVLP Turbine with Gravity Gun

- Professional hvlp system is excellent for both the handyman and the professional
- Quiet 2 stage turbine provides dry warm air to the all metal A-712G bleeder type guns and comes with an insulated handle.

### SATA Cups

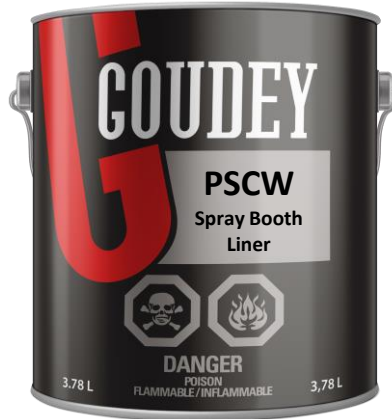

- The SATA RPS cup system makes work easier for painters all over the world
- QCC (Quick Cup Connector) ensures coupling between the SATA spray guns and cup systems

# SPRAY ACCESSORIES

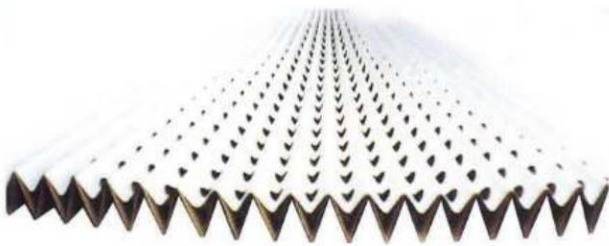

The **Preval Sprayer** allows you to spray up to 16 ounces of almost any paint or liquid. Sprays Water-Based, Latex-Based and Oil-Based Paints, Acrylics, Alkyds, Clear Coats, Enamels, Epoxys, Gel Coats, Lacquers, Leather Dyes, Polyurethanes, Primers, Rust Inhibitors, Stains, Varnishes, Waterproofers, 2k Coatings & much more. The Preval Sprayer is easy and efficient to use.

To protect spray work areas from hazardous overspray accumulations and keep them cleaner, brighter and safer. Protect your investment.

## REPLACEMENT FILTERS

### PAF-90, PAF-100

- Averages four times the life of other filters.
- Down time for filter replacement cut in half; Combined with longer life, actual spray booth down time reduced up to 85%.
- Low static resistance.
- Takes approximately one eighth of the space.
- Improved distribution of air movement
- No increase in noise level.

### PAINT POCKETS

- Best performing, single-stage overspray.
- Excels in arresting both liquid and powder coating overspray generated in industrial applications.
- Knocks down and retains more overspray than any other arrestor.
- Keeps overspray out of your exhaust stack and off the booth floor.
- Best value for production spray booths.

# APPLICATION TOOLS

## 100% Cotton Lint

### Free Rags

- Excellent for applying and removing stain
- Available in various sizes
- Available in; White, Grey and coloured rags

## Tac Cloth

- Tacky surface
- Removes dust and lint prior to wood working and finishing

## Stain Pads

- Very absorbent of stain
- Great for intricate wood projects
- Available in 2 sizes

## White Shop Towel

- Perforated for clean tears
- Excellent for applying and removing stain

## 3M Scotch® Paint Masking Tape

- Rubber adhesive provides strong tack and adhesion, and resists lifting
- Conformable
- Solvent and moisture-resistant backing
- Available in many sizes

## Painter's Mate Green® brand Painter's Tape - Multi-Surface

- Professional grade, multi-surface
- Medium adhesion
- Conforms well to curved or uneven surfaces
- Removes cleanly for up to 8 days, even in direct sunlight, UV-resistant
- Rubber-based adhesive
- Available in many sizes

# APPLICATION TOOLS

## Corona Brushes

- Hand made premium quality professional paint brushes
- Ideal for use with stains, varnish and urethane finishes and more
- A brush for any job big or small
- Available in various sizes, styles and bristles

## Foam Brush

- Ideal for use with stains, varnish and urethane finishes
- High-density foam pads and solid wood handles
- Quality at a value price
- Holds a lot of paint
- Easily disposable
- Available in many sizes

## Artist Brushes

- Holds liquid well
- Excellent for touch-ups and detailed work
- Precise and fine strokes
- Available in Camel and Sable hair
- Various sizes
